How Students View Recorded Zoom Meetings

To watch a recorded Zoom meeting, log into e-Learning and go to the course from which you would like to watch the recorded meeting.

1. Once in your e-Learning course, select the Zoom Conferences [1] on the left navigation menu. Then select Previous Meetings. [2]

2. From the list select the meeting recording you would like to watch. All recorded meetings are organized by date.
3. After clicking on **Recording Details** of the recording you would like to watch, you will be presented with two recording formats: **audio with video** (Recording) and **audio only**.

4. Once you select the preferred recording format, click on the play icon to watch/ listen to the recording.
