How to Join a Meeting

1. To join a Zoom meeting, click the **Zoom Conferences** on the left navigation.

2. The scheduled meeting should appear under the **Topic** tab.
3. To join the meeting, click **Join** on the meeting you would like to join.

4. A window browser will open with the Zoom meeting.
5. If you wish to join the meeting using your computer audio, click on **Join with Computer Audio** on the pop-up screen.

6. If you wish to join the meeting using telephone, proceed with the instructions under the **Phone Call** tab to call in with your specific identification numbers.
7. As an alternative you can also join a Zoom meeting through a **URL link**.

- Once a Faculty member schedules a meeting, students will receive a notification through e-Learning via email and as an event on their e-Learning calendar.
- The message will state the date and time along with a URL link to join the meeting.
