How to Access the Review of Your Peer Review Assignment

1. Go to the gradebook and open your assignment to see the review from your peer or instructor.
2. Click on the button View Feedback to see any embedded comments made by the reviewer (if it was not an anonymous review).

3. If a rubric was used, click on Show Rubric [1] to view both the student reviewers’ comments and the instructor’s comments.
   a. The comment box is green [2] if there is a comment.
   b. You can also view the general comments [3] made by both the instructor and the student reviewers in the right hand navigation panel.
